Challenge and inspire your delegates with your next incentive event

HIGHLIGHTS

- 2 full days of riding
- All meals including roast dinner, fresh lunches and fully cooked breakfast
- Bunkhouse and camp out accommodation
- Private riverside setting
- Additional options include:
live music / On-site massage

THE PACKAGE

Typical program:

Day 1

Leave from our historic stables and climb up to the high country ridgeline where the famous jump scene was filmed in the "Man from Snowy River" film. After lunch at the Dungeon hut we then descend down to the creek beds and explore our way through to our private camp on the Howqua River for a roast dinner and camp fire stories.

Day 2

The following morning after a hearty breakfast in the tree house we discover the excitement of crossing and swimming the river with the bold learning the craft of jumping bush logs.

After lunch we make our round trip return back to the Dungeon.

To further enhance the corporate experience we have a number of team challenges that involve horse and rider from relay races to orientation rides that we tailor to your organisations needs.
