ITINERARY – please note we sometimes may vary timings but include all of below

Pre: Arrive Friday late afternoon / evening at Home Station Lodge at your leisure.

Day 1: Enjoy a cooked breakfast before departing Home Station Lodge for a short drive to our high country farming property that's been in the Watson family for many generations.

We then set off on our 'Man from Snowy River' experience on horseback. We ride through creek beds and bridle tracks to Lachies Flat where we enjoy lunch on the banks of the Howqua River.

After lunch we set off for "Kate Camerons Peak" where we see the perilously steep hill where the famous jump scene from the movie was filmed. Enjoy magnificent views as the sun starts to set over the Delatite Valley.

Enjoy a relaxing hot shower before a hearty roast dinner in one of Victoria's prettiest valleys.

Day 2: We enjoy a hearty country breakfast that gives you a big energy boost before we ride up to spectacular 360 degree views and along the way, watch out for the wildlife that often takes a look at us, including kangaroos, wallabies and the amazing bird life.

We then ride back down to the farm for a BBQ lunch before departure.
