ITINERARY – please note we sometimes may vary timings but include all of below

Pre: Arrive at our accommodation the 'Hideout' from 4.00pm onwards.

Day 1: Enjoy a cooked breakfast before departing the 'Hideout' for a short drive to our high country farming property that's been in the Watson family for many generations.

We set off from our farm and ride through to the Dungeon Gully and then traverse the bridle tracks along creek beds and open tracks to the Howqua River and the 'Hideout' for lunch.

After lunch we then follow the high track up the river through Running Creek Reserve with spectacular views over the river. Our return is via the river track with many crossings and exciting cantering sections.

We enjoy a BBQ dinner and a campfire in the evening.

Day 2: Next morning we enjoy a hearty country breakfast that gives you a big energy boost before we set off down the high track and then head for "Kate Camerons Peak" where we see the perilously steep hill where the famous jump scene from the movie was filmed.

We wind our way back down to the valley floor to the farm house for a late lunch to complete our ride.
